

Dr. Kohima Noopur
Assistant Professor
Dept. of Vegetable Science
College of Horticulture, VCSGU-UHF, Bharsar,
Uttarakhand, India
kohimapanwar@gmail.com

Profile Summary

Dr. Kohima Noopur is serving as an Assistant Professor (Vegetable Science) at Veer Chandra Singh Garhwali Uttarakhand University of Horticulture and Forestry (VCSG UUHF), Bharsar, Uttarakhand. She obtained her B.Sc. (Hons.) in Horticulture from the College of Horticulture and Forestry, Central Agricultural University (CAU), Pasighat, Arunachal Pradesh, M.Sc. in Vegetable Science from Tamil Nadu Agricultural University (TNAU), Coimbatore, Tamil Nadu and Ph.D. in Vegetable Science from Sher-e-Kashmir University of Agricultural Sciences and Technology (SKUAST), Jammu, Jammu & Kashmir, securing First Division throughout her academic career. She has also qualified the ICAR–National Eligibility Test (NET), demonstrating her academic excellence and professional competence in agricultural sciences. Her area of specialization is Vegetable Breeding primarily focuses on improving vegetable productivity, quality, nutritional security and livelihood enhancement for farmers in the Himalayan region. Dr. Noopur has actively participated in 10 national and international seminars, symposiums, workshops and conferences and has played a key role in organizing three international and three national conferences, contributing significantly to scientific exchange and academic outreach. She has published 20 research papers in reputed national and international journals, authored 25 popular articles, 12 book chapters and 5 newspaper articles, reflecting her commitment to both scientific research and dissemination of knowledge among farming communities.

Research Interests/ Specialization

- Plant Breeding and Genetic Improvement of Vegetable Crops
- Plant Biotechnology and Molecular Approaches in Crop Improvement
- Climate-Resilient and Nutrient-Dense Vegetable Breeding
- Natural Farming-Based Vegetable Production Systems
- Agroecological and Resource-Efficient Vegetable Production Systems
- High-Hill and Mountain Vegetable Production
- Integrated Nutrient and Pest Management in Vegetable Crops

Work History

Academic Experience

Duration (From-To)	Post	Organization	Nature
2024 to Contd..	Assistant Professor	COH,VCSGU-UHF, Uttarakhand	Bharsar, Permanent

Thesis Supervision

Student (s)	Degree	Title	Year	Awarded by
Mr. Harpreet	M.Sc	Genetic Variability, Characteristics Association and DUS-based Yield Determinants in Cucumber (<i>Cucumis sativus</i> L.) under Protected Cultivation in the Mid-Himalayan Region	2026	VCSGU-UH F, Bharsar, Uttarakhand
Ms. Shiwani	M.Sc	Assessment of Heritability and Genetic Diversity based on Morphological and DUS characters in Cauliflower (<i>Brassica oleracea</i> var. <i>botrytis</i> L.) under temperate conditions of Bharsar, Uttarakhand	2026	VCSGU-UH F, Bharsar, Uttarakhand

Professional Activities

Activity / Membership	Organization	Since
Life member of Indian Society of Vegetable Science	Indian Institute of Vegetable Research	2024
